

Title: InterVarsity Staff Facilitating Beautiful First IA Session for New Christian

December 18, 2023

Greetings all,

I recently got an e-mail from one of the Immanuel ministry volunteers for the InterVarsity 2024 Orlando staff conference. Thought it would be encouraging:

“I’m SO excited to be with you at the IV conference. I just finished a first session for a guy I led to the Lord a couple of months ago, and he encountered Jesus for the first time in an interactive way. He kept saying “this is SO crazy. I’ve never experienced anything like this.” Jesus was robed in light, but still like his best friend. He received comfort, friendship, and instruction just by sitting with Jesus for an hour. Woah!”

Also, I am looking for Immanuel Approach material translated into Russian and Hebrew. The sample condensed opening prayer and sample closing prayer are the first priorities, but any IA material will be helpful. If you have Russian and/or Hebrew translations, please e-mail them to me as soon as possible.

Blessings,

Dr. Lehman/Karl
