

Title: Six More (Very Short) Urbana Stories

February 20, 2023

Greetings all,

Here are a number of brief stories and comments from IVCF staff who were on the Immanuel Approach ministry team at Urbana:

“A student got an instant, clear image of Jesus in a painful memory, and He immediately acted to address and calm her fears. I thought forgiveness might be needed, and without any input from me Jesus drew her to forgive the person who had hurt her!”

“One student I prayed with kept going to Jesus with questions, and she was just filled with laughter throughout the whole session as she asked and as she heard Jesus's answers. (I couldn't help but think that this is the sound/laugh of the holy spirit.)”

“A student who had a painful memory said that when they invited Jesus into the memory, everything went from pitch black & scary to illuminated and comfortable.”

“P came with knee and hip pain, and she was able to have Jesus come lay his hands on her and pray for/with her.”

“S was nervous to fully commit to Jesus and felt blockage. When God showed up in her memory, God revealed to her an image of a dripping icicle which he explained was her heart. He was slowly melting and softening her heart. By the end of the ministry time she told Jesus that she had decided to fully say yes to Him.”

“One student I prayed with stood up at the end of the session and declared, ‘I came in here looking for answers, and what I got was FREEDOM, and I DIDN'T EVEN KNOW I NEEDED IT!’”

Blessings,
