

Title: Face 2 Face Podcast, Part 2

July 10, 2023

Greetings all,

Just a quick note to let you know about another podcast (the second part of the recent podcast with Face to Face ministries, link below). In this podcast you will hear more about InterVarsity and the Immanuel Approach, and you will also learn about the fascinating power of mirror neurons.

An appetizer:

"If you want to learn something, watch someone do what you want to learn. As you watch, your brain will begin downloading and copying, changing to be like the brain of the person who is demonstrating. You will start learning the skill simply by watching.

"When you engage with the living presence of Jesus, the right hemisphere of your brain is watching Jesus. Your brain is literally becoming more like the mind of Christ."
