

Title: "Endorsement for Live Ministry Sessions"

I recently received the note below regarding our Live Ministry Series (LMS) sessions. Thought I would share it with the rest of you:

"...Can attunement be taught in training in any way other than modeling?

Of all the incredible materials you have produced and offered, I really believe that the ultimate gem is watching you in action. Back in December I recommended to someone that one of the best ways to be trained is to learn from your example in the videos of your live sessions."

And here's the links to Humble Shack, where the Live Ministry Session (LMS) DVDs are available: <https://humble-shack.myshopify.com/collections/immanuel-approach-dr-karl-lehman>
