

Title: "Another Immanuel Story From the Orlando 2024 InterVarsity Staff Conference"

March 18, 2024

Greetings all,

Just a quick note to share a fun Immanuel Approach story from one of the volunteers on the IA ministry team in Orlando.

"I was able to do Immanuel Approach for one of my friends on the mission field a few months ago over zoom. A couple weeks ago, she wrote me this story: 'I'd begun to feel the build up of unprocessed things until it was so heavy that I couldn't get away from it. I remembered how we had done the Immanuel Approach together and I did it by myself.' She went on to share the pain of watching two babies die of neglect. She also had big feelings of anger towards an alcoholic family member. There was a heavy workload there on the mission field in the coming months that felt like too much.

As she connected with Jesus, she reports: 'The Holy Spirit spoke directly into all of that and I felt an immense weight lift from my entire body.'"

Blessings,

Dr. Lehman/Karl
