August 5, 2024

Greetings all,

Just a quick note to let you know that I have posted the finished essay, "Variations that Are Still Immanuel Approach (Potato Salad Analogy). Special Subjects/Advanced Topics section, Resources page, www.immanuelapproach.com. In addition to presenting all of the pieces together in one place, the finished essay also has several edits to improve accuracy and clarity at several points, and references to brain science research to support some of the points made in the essay.

Blessings,

Dr. Lehman/Karl
