

Title: New Live Ministry Series (LMS) Session – *Rocky: Father-Son Wounds*

July 13, 2004

Greetings all,

Just sending a quick note to let you know that we have released another new Live Ministry Series (LMS) session, *Rocky: Father-Son Wounds*.

This session provides powerful examples of how wounds with our parents often result in lies about the Lord, and of how healing painful memories with our parents can benefit our relationship with the Lord. This video includes **only basic** principles, process, and techniques, and is therefore excellent for those who are just beginning to learn about emotional healing. It is also excellent for helping people connect with father-related wounds, and for introducing men to this ministry.

Rocky starts with focusing on negative emotions in the present, he goes from the negative emotions to the underlying painful memories that are the source of the negative emotions, he releases defenses and stands straight in the pain associated with the memories, and then the Lord comes with healing. Note that the session does not go through only one simple sequence of this process, but rather goes through several cycles of painful emotions – underlying memories – removal of defenses/clutter – healing from Jesus.

The full commentary for this video is posted on the Store page of our website, <https://www.immanuelapproach.com/products-page/>.

NOTE: this is a “Pre-Immanuel Approach” session (Theophostic-based ministry).

Blessings,

Dr. Lehman/Karl
