

Title: New Live Ministry Series (LMS) Session -- *Maggie: More Than Healing*

May 18, 2007

Greetings all,

Just sending a quick note to let you know that we have released another new Live Ministry Series (LMS) session, *Maggie: More Than Healing*.

This live ministry session is a demonstration of some of the simplest Immanuel Intervention techniques, but it's primary purpose is to demonstrate how you can start with a memory where a person has already received healing, and the use Immanuel Interventions for the specific purpose of facilitating additional connection with Jesus. A copy of the written commentary is attached (The commentary can also be downloaded from the Store page of our website, <https://www.immanuelapproach.com/products-page/> .)

Blessings,

Dr. Lehman/Karl
