

Title: New Live Ministry Series (LMS) DVD – Condensed Session, Second Set

May 22, 2007,

Greetings all,

Just sending a quick note to let you know that we have just released the second set of “condensed” sessions. For people who actually want to learn how to use these emotional healing techniques, the full sessions are what they need. However, we have had many people ask something along the lines of: “My _____ (parents/friend/pastor/therapist, etc) wants to know what this stuff is all about, but I don’t think they want to watch an hour long session. Do you have any sessions that are about 15 minutes long?”

As many of you already know, we put out a DVD with four “condensed” sessions, each condensed session being 15-20 minutes long. Many people have told us that these condensed sessions have been very helpful, so we have made four more condensed versions. The title of the new DVD will probably not surprise anybody: “Live Emotional Healing Ministry: Four More Condensed Sessions.” The Store page of our website has condensed versions of the commentaries that go with the condensed versions of the sessions.
