

Title: Panama Trip and Subtitle Project – Please Pray

May 1, 2009,

Greetings all,

We are going to Panama next week, and would appreciate prayer for safe travel, to be able to complete Spanish subtitles for one of our condensed sessions, and that the Lord would bless our ministry sessions and the seminar we will be doing there. One more prayer request is that we would be able to finish the Dutch subtitles for the condensed ministry sessions Dr. Wilder will be using in his presentations in Holland. So far, we have encountered MANY computer and other problems with this project, and Dr. Wilder is leaving next week, so we have to get them finished in the next day or two.

Thanks for your prayers.

Blessings,

Dr. Lehman/Karl (for Charlotte and I)
