**Andy and Kristin Ross' IA training and ministry in Kenya, continued:**

In one prayer time a child very bravely invited Jesus to be with him at a time when he was stealing something he should not take. He reported that Jesus was not in the memory. I asked if he wanted Jesus to be in the memory. He said that he was afraid Jesus would hate him if he saw what he did. I explained that Jesus loves children, and asked, "If Jesus promised not to hate you, would he be willing to invite Jesus?" He said yes, and quickly reported that Jesus was in the memory.

I asked if that felt good. He said he felt ashamed. He talked to Jesus about the shame and said Jesus took the shame away. We asked if there was anything else Jesus wanted to show him and he said Jesus wanted him to change. He prayed that he would be able to change his bad habit. At the end he invited Jesus to stay with him in his heart and mind. He was no longer afraid of Jesus hatred, but rather desired Jesus' living presence.

***Such miraculous encounters with God happened in a lot of our prayer times with both children and adults in Kenya.***

***To be continued....***
