

Title: "I Experienced Jesus Like I Have Never Experienced Him Before"

December 25, 2011

Merry Christmas!

I thought it would be appropriate to send a short Immanuel testimony as a special Christmas encouragement:

"I have had years of prayer counseling and was not prepared for the depth and power of the healing touch of Jesus in Immanuel. When Pastor Patti prayed for me on two occasions, I experienced Jesus like I have never experienced him before. The fullness of who he is has left an indelible imprint on my spirit."

Excerpted from *Immanuel: A Practicum* (an upcoming book by Pastor Patti Velotta, currently at the printers)

Special blessings for the holidays, and for this next year,

Dr. Lehman/Karl
