

Title: Witnessing First Immanuel Encounter

January 25, 2012

Greetings all,

Just a short note to send out another encouraging testimony. God tells us to remember and tell others about the good things He has done, so I'm just trying to be obedient.

Testimony from Sarah Shedd, after participating in the Immanuel exercises at a THRIVE conference:

“. . . I saw one lady have her first experience with Immanuel – I saw God move her from appreciation to the awareness of God, and then take her to a place in her life where she had felt alone – never knowing her Mom to be a Mom. Those of us who were watching couldn't do anything but thank God for what He was doing right in front of us, seeing Jesus connect her to feeling empathy for her Mom who had never gotten to play . . . and seeing her sense compassion from both God and her Mom (who is now in heaven), and find God's peace there. . . . It all sounds so simple, but there's nobody else who can heal that kind of loss, except the Lord.”

Blessings,

Dr. Lehman/Karl
