

Title: "I Don't Have to Guess What Jesus Would Do; I See Him and Know."

March 6, 2012

Greetings all,

Just for fun, here's another short testimony:

"For years I have been praying 'Father, I only want to do what you're doing and I only want to say what you're saying, and I know it's possible because Jesus did it and he is our model.' Sounds good doesn't it—only I didn't know how to bring it about. Praise God for Immanuel; this is the key to having that intimate life of sonship with the triune God. As I see Jesus 'who was and is and is to come' (Revelation 1:4, 8; 4:8) I don't have to guess what Jesus would do; I see him and know. Guess what? He loves it! He so desires that we would come to him and sup (Revelation 3:20) with him and walk with him. I am not the person I was because I now see myself through the undefiled eyes of love; we are changed from glory to glory as we behold him. (2 Corinthians 3:18) There are not words enough to describe the deep abiding healing and redemption that transforms me through this ministry."
