

More from Uganda – “A Years Worth of Healing in 16 Days”

August 16, 2013

Greetings all,

Just a quick update regarding the team currently working in Uganda. Here are some excerpts from the note that came in from Mark this morning:

“I feel like I’ve seen a years worth of healing in 16 days. I’m not feeling traumatized [from exposure to so much horrible trauma], compassion fatigue, or the like. To the contrary, I am encouraged....I can't think of one person that did not connect with Jesus in some way. Although sometimes the Immanuel process wasn't textbook, God filled in my teaching and their understanding voids/gaps. The Lord totally shattered the works of the enemy in the lives of those we touched."for this purpose was the son of god manifest" glad 2 have participated in that plan.”

Thank you to all of you who have been praying.

Blessings,

Dr. Lehman/Karl
