

Manuscript for “The Immanuel Lifestyle: Sustaining Joy for a Lifetime” Presentation

May 17, 2015

Greetings all,

Just a quick note to let you know that we have posted the manuscript for the presentation that Charlotte and I recently did at the Life Model Works Annual Gathering (used to be called THRIVE Track IV). The title is “The Immanuel Lifestyle: Sustaining Joy for a Lifetime,” and it is posted on the “Special Subjects” section of the “Resources” page of our Immanuel approach website (www.immanuelapproach.com).

As I mentioned during the live presentation, the manuscript includes a bunch of details from some of the story examples that I didn’t have time to include. Also, I rendered a couple of the power point slides that I thought would be most helpful.

Blessings,

Dr. Lehman/Karl
