

Title: More Endorsements – Tom Wassink, MD and Jessica Handy

October 14, 2016

Greetings all,

Just a quick note to share a couple more endorsements.

Blessings,

Dr. Lehman/Karl

“Immanuel Prayer is the single most effective method I’ve ever encountered for healing the lifelong effects of trauma. I work as a Christian pastor and as a psychiatrist in an academic medical center treating military veterans with PTSD. I never dreamed that a prayer practice would come along that brings Jesus to life for those who suffer while incorporating all the best of brain science and, most importantly, that actually works. Thank you Karl for this amazing book on all things Immanuel Prayer!”

Thomas H. Wassink, M.D.

Professor, Department of Psychiatry, University of Iowa Carver College of Medicine
Staff Psychiatrist, Iowa City Veteran’s Affairs Hospital
Staff Pastor, Sanctuary Community Church of Iowa City
Senior Leadership Team, Blue Ocean Faith Church Network

“The most thorough Immanuel Prayer Ministry book from the most experienced person in the field, *The Immanuel Approach: For Emotional Healing and for Life* is a detailed and practical guide for those learning to facilitate Immanuel Prayer for others. With his typical vulnerability and humor, Dr. Karl shares his own mistakes, discoveries, and healing stories alongside the helpful “how to” sections. Not only did I learn new tips to use in ministry and training others, but I smiled, laughed, even cried at the stories of people experiencing Jesus’ living presence in profound and healing ways.”

Jessica Handy

Immanuel Prayer Trainer, Alive and Well, Inc.
