

Title: "Endorsement for IA from Therapist & Pastor"

December 7, 2016

Greetings all,

Just a quick note to share a fun endorsement for the Immanuel Approach.

Blessings,

Dr. Lehman/Karl

"I am a trained counselor, I have planted a church, and I have pastored this church for the last 20 years. I had grown weary of new Inner Healing models, and did the best I could encouraging people to share their stories as they were able and to receive comfort and prayer. When I experienced the Immanuel Approach it changed everything. My own relationship with Jesus was transformed and how I prayed for people radically changed. Now I try to find a way to bring the Immanuel Approach into every conference and retreat I'm a part of. It informs my preaching, my pastoring, and my witness to the world."
