

Title: "Another Teaching Nugget Video, Testimony Video"

January 14, 2019

Greetings all,

Just a quick note to let you know that I have added another clip to the "teaching nuggets" video window on the Resources page of www.immanuelapproach.com , and that I have posted another clip to the video window on the "Testimonies" page (a really fun story about Jesus dealing with language and cultural barriers in the context of international mission work).

Also, a quick update regarding my chronic sore throat and hoarseness: The good news is that it doesn't seem to be getting worse. The bad news is that it doesn't seem to be getting significantly better (in spite of the many different interventions I am currently applying). I have to speak for four days starting Tues the 22nd, and would greatly appreciate prayer from any that feel led/inspired.

Thanks and blessings,

Dr. Lehman/Karl
