

Title: New Video: Intimacy With Jesus Is the Goal

September 9, 2019

Greetings all,

Just a quick note to share a video clip that presents a very short version of a teaching I will be presenting in much more detail at the seminars in Phoenix. The really, really short summary is: "Intimacy with Jesus is the number one goal for the Immanuel Approach, whereas healing for psychological trauma is just a wonderful side benefit."

This video clip is now also included with the collection of teaching nuggets on the Immanuel Approach website.

Also, if any of you have connections with podcasts, webinars, or Christian radio programs that bring in guest presenters, I am happy to talk about the Immanuel Approach in any of these contexts. (Just thinking about more ways to help people learn about these principles and tools for experiencing the living, interactive, friendship, wonderful presence of Jesus.)

Blessings,

Dr. Lehman/Karl
