

Title: Basic Immanuel Approach Troubleshooting – Explanation and Role-Play

May 23, 2020

Greetings all,

So what if you try the Immanuel Approach and the recipient is **not** able to perceive the Lord's presence or establish an interactive connection?

For some helpful answers, see the new video, *Reba Church Immanuel Approach Teaching #4: Basic Immanuel Intervention Troubleshooting*. This video provides a very brief teaching about Immanuel Intervention troubleshooting, and then explanation and role-play for several basic troubleshooting interventions for two of the most common reasons the recipient is initially unable to perceive and connect with God.

This clip is now posted as another "Teaching Nuggets" video (located at the very bottom of the "Resources" page of [www.immanuelapproach.com](http://www.immanuelapproach.com)). NOTE: the "Teaching Nuggets" section does not show up on the drop down menu when you click on "Resources" from the menu bar at the top of the Home page. You have to actually **go to the Resources page**, and then scroll to the very bottom of the page. Also, on some devices the nuggets at the bottom will be out of view when the first screen opens – you have to scroll "below the fold" – that is, beneath the content initially visible.)

Blessings,

Dr. Lehman/Karl
