

Title: "End of Year Giving – IVCF IA Training Fund"

December 29, 2021

Greetings all,

Just a quick note to invite you to remember the InterVarsity Christian Fellowship Immanuel Approach training fund as you plan your end-of-year giving. Contributions will help support:

- My working with IVCF throughout 2022 to help train the prayer ministry team for Urbana 2022.
- My being at Urbana to provide coaching and consultation to the prayer ministry team.
- My presenting a seminar at Urbana (hopefully more than once) that will include participants applying Immanuel Approach principles and tools to help each other experience the tangible, living, interactive, friendship presence of Jesus.
- My providing consultation support throughout 2022 to help continued Immanuel Approach training for strategic staff and ministry leaders within IVCF.
- Copies of the new video training series for each of the IVCF regional leaders, and also 30 international associates.
- Other Immanuel Approach books and DVDs for IVCF leaders.
- Hopefully, I will also be able to start trying various Immanuel Approach exercises with students in one or more local IVCF chapters.

And thanks again for your previous generosity. So far, everything we have wanted/hoped to do has been fully funded!

Blessings,

Dr. Lehman/Karl
