

Title: New Video: Special Value of Positive Memories that Include Experience of God's Presence

March 9, 2021

Greetings all,

In the new video just posted on our website, I teach briefly about the special value of using positive memories that include an experience of God's presence; and then Pastor Charlotte and I demonstrate the initial steps in the Immanuel Approach process (up to the point of establishing an interactive connection with God) *using a positive memory that includes an experience of God's presence.*

This training segment provides a condensed version of one of the sessions from our Basic Training seminar, and then demonstrates one of the training exercises.

The title for this new video is "Immanuel Approach Training Segment #2: Special Value of Positive Memory Including Experience of God's Presence," and this clip is now posted as another "Teaching Nuggets" video (located at the very bottom of the "Resources" page of www.immanuelapproach.com). NOTE: the "Teaching Nuggets" section does not show up on the drop down menu when you click on "Resources" from the menu bar at the top of the Home page. You have to actually **go to the Resources page**, and then scroll to the very bottom of the page. Also, on some devices the nuggets at the bottom will be out of view when the first screen opens – you have to scroll "below the fold" – that is, beneath the content initially visible.)

Blessings,

Dr. Lehman/Karl
