

Title: New Immanuel Approach Intro Video!

May 19, 2021

Greetings all,

More good news! We have just posted a new intro video. This new intro is adapted from the Introduction for the basic training videos, and provides an excellent, short (20 min) introduction to the Immanuel Approach. This should provide a helpful resource for introducing your friends, family, parishioners, colleagues, clients, casual acquaintances, and complete strangers to the Immanuel Approach. It can be accessed as a free download from the Getting Started page of www.immanuelapproach.com.

Blessings,

Dr. Lehman/Karl
