

Title: "Immanuel Approach Testimonies Needed"

September 16, 2021

Greetings all,

Just a quick note to let you know that I'm looking for Immanuel Approach testimonies. Face to Face Ministries is working on a book that has a chapter for each of many different emotional healing ministries, and they have asked me to write the chapter for the Immanuel Approach. I have finish the main body of the chapter, but they would also like to include several short testimonies for each of the ministries presented in the book.

So I am looking for testimonies in 500 - 1000 words (1 to 2 single-spaced pages) which highlight how the Immanuel Approach has made a difference in your life. And don't worry that your efforts will be wasted if your testimony doesn't get used for the book, because I would love to expand the "Testimonies" section of our website, and I will also use the testimonies for e-newsletters.

Also, any testimony you send obviously needs to be okay to share with the general public, since it will be included in the book and/or sent out in one of our e-newsletters.

Thanks and blessings,

Dr. Lehman/Karl

P.S. Charlotte and I have been blessed by the MANY e-mails we received after the previous e-newsletter regarding the situation with my parents. Thank you for your encouragement and prayers.
