

Title: New Live Ministry Series (LMS) Session -- *MaryBeth: "I'll Do It with You"*

November 14, 2022

More good news! We have released yet another new Live Ministry Series (LMS) session: *MaryBeth: "I'll Do It with You."* (This Live Ministry Series session has actually been available for a while, but I forgot to announce it – thank you COVID chaos. 😊)

Here's the short summary from the back of the DVD case: Jesus' agenda for an Immanuel Approach session is often to resolve trauma (resolving trauma removes blockages that hinder our connection with Jesus, and he also wants to relieve our suffering); but sometimes Jesus' agenda is something other than trauma-work -- such as building capacity, building maturity skills, addressing other issues important to optimal living, or just to spend time with us as a friend. This 2016 session provides an excellent example of Jesus' agenda being something other than trauma-work – in this session, Jesus' agenda is a beautiful flowing mixture of spiritual direction, advice and encouragement from an older brother, life coaching, and conversation with a friend. Highlights are when Jesus shows MaryBeth parallels from His own experience that powerfully demonstrate, "I get it – I've been there!" and when He offers "I'll do it with you." At the three-year follow-up interview, MaryBeth describes many lasting benefits from these interactions with Jesus.

This new live ministry session can be purchased (\$30), and then streamed and/or downloaded, from the following link: <https://immanuelapproach.pathwright.com/library/>
