

Title: "Nuggets From the Past Thirty Years, Part III: The Presence of Jesus Is More Powerful Than the Darkness,..."

November 21, 2022

Greetings all,

Just a quick note to let you know about another new resource. I just posted another one of the presentations I did for the May 2022 seminar at Lipscomb University. This presentation shares how I have become totally convinced that the living presence of Jesus is more powerful than all of the darkness, brokenness, sin, and evil in the world.
