

Title: "IA Healing for Young Woman In India"

November 28, 2022

Greetings all,

Just a quick note to share yet another fun Immanuel-Approach testimony:

"In India, a girl asked for inner healing prayer and I led her through Immanuel Prayer. She was very young and she had aborted her baby a few months prior (the baby was the result of a date rape situation). She was very regretful of her decision and she had been depressed ever since. Jesus didn't take her back to the hardest memories, but He showed her that he was there with her when she was crying and grieving. He clearly told her that He loves her and that nothing she did separates her from Him. By the end of the session she was just giggling like a smitten girl, and repeating over and over, "He loves me.... He loves me.... He loves me...." I left her in the care of someone who can facilitate Immanuel Prayer for further healing. But her initial breakthrough was beautiful!"

Blessings,

Dr. Lehman/Karl
