

Title: "All Live Ministry Sessions Now Available as Digital Downloads"

December 19, 2022

Greetings all,

Just a quick note to let you know that all of our full-length live ministry sessions and condensed-version live ministry sessions are now also available as online courses and digital downloads. (This should be especially good news for the young folks who have been telling me, "We don't even own DVD players!")

Blessings,

Dr. Lehman/Karl
