

Title: "Another InterVarsity Alumni Testimony"

April 11, 2022

Greetings all,

Here's another encouraging, inspiring note from an InterVarsity alumna:

"I am both an alumna and former staff of 10 years....I am a huge fan of the Immanuel approach, and am thrilled to see you on the prayer ministry team for Urbana!!! The students will be so blessed!

When I was on staff, part of my passion with students was helping those who were struggling with trauma. I wish I had had a tool like the Immanuel Approach! It is simple and effective. I personally have received so much from applying it to my life."

Elyce T.

Blessings,

Dr. Lehman/Karl
