

Title: "IA Healing for Boyfriend Committing Suicide"

November 25, 2024

Greetings all,

I recently received an email with the following short-but-powerful Immanuel story, and thought the rest of you would appreciate it (sharing with permission):

"This past Sunday, I did a session with someone from my church whose boyfriend committed suicide in her house and she was the first one to find him dead of a gunshot wound. She's maybe around 70, and this happened 4 years ago. She reported feeling so much peace at the end of her session, after Jesus just was with her through the various parts of the scene, and was with her as she cried and was angry and felt so much pain."

Blessings,

Dr. Lehman/Karl
