

Title: More Follow-up Re REVIVE Europe 2024

January 6, 2025

Greetings all,

Thanks again for your prayers. They were needed and appreciated!

For example, the Krakow airport was totally shut down for most of the first two days of the conference due to unusually persistent and dense fog. Key REVIVE volunteers and speakers were delayed and arrived late to the conference. As a huge provision from the Lord, the Immanuel Approach team had arrived early (before the fog), and several of the people on our team had training and experience that enabled them to step in and provide hugely strategic help and support. And even though this was totally unrelated to the IA workshops and prayer ministry, it greatly blessed the overall mission for the conference and strengthened important relationship bridges.

More encouraging follow-up. In spite of last minute changes and challenges:

The two Immanuel Approach workshops went well, with 60 to 70 participants at each. After the workshops, many participants came to the front asking where they could get training.

More than 50 Immanuel sessions in the prayer ministry room. Many beautiful sessions, many beautiful connections with Jesus, beautiful healing.

The leader of REVIVE Prayer and Scripture Engagement is very interested in providing IA training for REVIVE conference attendees and leaders this winter or early spring.

Thank you again for your prayers. I will hopefully get specific Immanuel session stories that I can share.

Blessings,

Dr. Lehman/Karl
